The Founder and the Chief Visionary officer of the Leaders Choice Group. He is an inspiring Rotarian. He is a powerful public speaker. He has delivered more than 200 splendid speeches inspiring thousands in the past 25 years. He is a blessed speaker with a powerful energy of inspiration which transforms the people around him to be great powerful leaders. His lectures and workshops in various Universities, Colleges, Forums, Schools and Corporates has encouraged and inspired his learners to move forward in life with a better vision.

He is one in a generation of a Communicator. His lectures, master of ceremonies and sports commentary is appreciated by thousands around the globe. He is a self-taught artist and the director of Leaders Choice Art Gallery in Tiruchirappalli. He has conducted several Art exhibitions and Art Meditation. He was awarded the “Inspirational artist of the year” in 2018. His art works are radiantly filled with energy and they chiefly portray universal human values . He draws inspiration for his paintings from his spiritual prayers, his family and from his students. The energy and positivity emanating from his paintings make them more distinct.
